EXHIBITION

KOREA

FROM 16 OCT., TUESDAY-SUNDAY

Today, when we think of Korea, we think of Samsung and K-Pop. But Prinsessehof Ceramics Museum takes you into the age-old world of Korean culture, in which ceramics have always played an important role. Discover Korea through masterpieces from the National Museum of Korea in Seoul, which are on display in the Netherlands for the first time.

EVENT

Radman

14-16 OCTOBER

Listen. Can you hear the city breathe? In an 18 meter high Ferris wheel next to the Oldehove you can listen to Radman's story with headphones. He towers above everything and everyone because of his height, so that he has a great overview and knows all the secrets of the city.

FESTIVAL

Roze Zaterdag 2021

16 OCTOBER

During Roze Zaterdag (Pink Saturday), Leeuwarden is the City of Love: an inclusive city where everyone is welcome. The most extravagant artists will grace the main stage on Wilhelminaplein, from Kid Creole & The Coconuts to House Of Vineyard. The most lavishly decorated boats sail through the canals and you will find dozens of diverse LGBTI+-friendly organizations on the info-market. Book your free tickets online!

ARCHITECTURE

Museumhuis van Eysinga

WED, THU, SAT AND SUN

A mansion built by one of the greatest men of the eighteenth century. Of course, you expect splendour there, but will you also take a look in the rooms of the staff? And why was the house empty for a period of time? Meet the Van Eysinga family, ring the bell, and take a seat at the gaming table and be surprised.

ZOO

Dino Weken in AquaZoo

DAILY

Imagine...suddenly you are face-to-face with huge dinosaurs in AquaZoo! Look for the Triceratops, Tyrannosaurus Rex, the Velociraptor and water dinosaurs like the Plesiosaurus and the Mosasaurus. These lifelike dinosaurs, some of which move and make sounds, take you way back in time. Come by if you dare!

WALKING TOUR

Miniature People Leeuwarden

DAILY

Meet the smallest inhabitants of the city! You will discover the minuscule people in unexpected places at more than fifty locations in the city centre of Leeuwarden. Rock climbers clamber up the town hall, the homeless sleep under a marble edge and a construction worker with a jackhammer makes a huge crack in the ground. Can you find them all?
