WALK

## Miniature People

DAILY

Meet the smallest inhabitants of the city! At more than sixty locations in the city centre of Leeuwarden, you will discover the minuscule people in the most unexpected places. Rock climbers clamber up the town hall, weary travelers sleep under a marble ledge and a construction worker with a jackhammer makes a huge crack in the ground. Can you find them all?

ZOO

## Dinosaurs at AquaZoo

DAILY

Suddenly you are face-to-face with huge dinosaurs in AquaZoo! Look for the Triceratops, Tyrannosaurus Rex, the Velociraptor and water dinosaurs like the Plesiosaurus and the Mosasaurus. These lifelike dinosaurs, some of which even move and make sounds, take you way back in time. Come by if you dare!
