MULTIDISCIPLINARY

De Stadskas

DAILY

Under the iconic leaning tower, the Stadskas (city greenhouse) is the beating cultural heart of this autumn. The most beautiful moments are 'grown' in this large glass greenhouse. Two weeks before the start of the Explore the North festival, you will find a wide range of activities here. Largely free, incredibly varied and great fun.

MUSICAL

De Tocht

WEDNESDAY - SUNDAY

The forecast is icy good and that can only mean one thing: it sil wêze! (It will be!) In the new musical extravaganza De Tocht, five friends must keep their promise - if the tour comes around one more time, they'll skate it and complete it together. But it turns out there is more at stake than just getting the box checked off.

EXHIBITION

Kinke Kooi

TUESDAY - SUNDAY

The Fries Museum is hosting an exhibition around the winner of the GERRIT BENNER Prize 2023. This year, the prize has been awarded to artist Kinke Kooi (Leeuwarden, 1961), in special appreciation of her artwork. Her lush paintings are a gentle plea for subtlety and acceptance: an ode to what is often not shown or not seen.
