15 - 28 APRIL

King's Day

FESTIVAL

Visit lively flea markets, vibrant events and come and dance at the best festivals. Great parties have been organized for the whole day in the heart of Leeuwarden. Your favourite artists will be performing here, so you'll never want to leave! Prefer something other than dancing on King's Day? Check out the nice flea market and shop for the nicest items!

De Nacht van de Filosofie

FESTIVAL

This year De Nacht van de Filosofie (the Night of Philosophy) is all about 'chaos'. A festival packed with talks, theatre, lectures and interviews. Philosophize about everyday questions and philosophical issues. Experience the Night and embrace the chaos, with the line-up including Donny Ronny, Elke Wiss, Marjan Slob, Bas Haring, a bar-philosopher, Hoge Woorden and much more.

Castles, country houses and estates

BIKE ROUTE

Discover the smallest palaces in Leeuwarden and the surrounding area during the ultimate spring outing! Get on your bike and explore the historical wealth of Friesland via beautiful cycle routes along various castles, country houses and estates. From the majestic Poptaslot in Marsum to the green idyll around the Dekemastate in Jelsum.

Podium Explore

MULTIDISCIPLINARY

New in town: the beautiful Westerkerk has been renamed Podium Explore! Experience unique adventures at this magnificent location every Friday, starting April 19. From poetry, music and theatre to mini-festivals, bingo, literature and good parties – exactly what you will encounter at the Explore the North Festival, but as the ultimate weekend starter.

Het Bij Kantoor

EXHIBITION

Have you ever wondered what the world would be like if bees were in charge? Het Bij Kantoor (the bee office) at De Utrecht offers a unique view on this fascinating idea. With a remarkable exhibition, we dive into a world run by bees, the bee that is having such a hard time because of us. What would happen if these pollinators would become extinct?

friday and saturday

Ice Age at Aquazoo

ZOO

Experience the Ice Age like never before! Until the end of May, you can learn not only about the zoo's permanent residents such as tigers, crocodiles and polar bears, but also all about the animals from this prehistoric period. Look for many Ice Age giants, including the giant mammoth, impressive sabre-tooth tiger and roaring cave bear.
